

LATE CANCELLATION AND NO-SHOW POLICY

We schedule our appointments so that each patient receives the right amount of time and attention from our providers.

As a courtesy, and to help patients remember their scheduled appointments, we send out multiple reminders in advance of your appointment time.

You are required to give the office at least 24 to 48-hour notice that you will not be able to keep your scheduled appointment time. This will allow the provider to schedule another patient in that slot.

If your schedule changes and you are unable to keep your scheduled appointment, please let us know ASAP to avoid being charged a "No-show fee" or "Late Cancellation fee"

If you miss your scheduled appointment time and did not give the proper cancellation notice, you will be charged a "No-show" fee of \$50.00. It will be charged to your credit card on file. If you do not have a card on file, we will collect it at your next appointment along with any co-pay should one is owed.
